# Want to Be A Poll Worker?

## Want to be a poll worker?

Being a poll worker is a fun opportunity to participate in the election process and make some money at the same time. Besides, your community needs more people like you to work at the polls. Indiana must recruit and train thousands of poll workers in communities across the state every election year! Our democracy depends on the support and volunteerism of Hoosiers like you!

Your local election officials can teach you everything you need to know to do the job. You just need to meet a few requirements to participate:

- You must be a resident of the county; and
- You must be a registered voter in the county; and
- You must be at least eighteen (18) years old
  - In some counties, sixteen (16) and seventeen (17) year olds have been approved to work the polls. Please call your county clerk's office or election board.

## It's as easy as 1-2-3.

- 1 First, you will call your county clerk's office or your party's county headquarters and sign up. They will give you all of the information you will need to be a poll worker on Election Day.
- 2 Second, you will attend a short training class to learn how to be a poll worker. Then, you are ready to go to work.
- 3 On Election Day, you will help Hoosiers through the Election process.
  - First, by setting up the polling place.
  - Second, by checking voters in and explaining to them how to cast their ballot, this may also include explaining the features of the voting system.
  - Third, once the day is done, you and your fellow poll workers will restore the polling place to its original condition and return the election supplies.
